## about conference

Sujok therapy, a remarkable healing modality, has been touching lives across the globe with its holistic approach to wellness. Over the past ten years, the Sujok Clinic & Research Center which is also proudly serving as a global administrative headquarters of ISA in Nagpur has been at the forefront of pioneering research, training, and patient care in this field. We are honored to celebrate this milestone with you and invite you to be a part of this extraordinary event.

Our conference promises two days of profound insights, practical knowledge, and holistic healing exploration. We have invited a distinguished panel of speakers, experts in Sujok therapy and related disciplines, who will share their wisdom, experiences, and research findings. Together, we will delve into the depths of Sujok therapy, unlocking its potential to enhance well-being and vitality.

This conference is meticulously designed to cater to the needs and interests of everyone, whether you are an experienced Sujok practitioner, a healthcare professional, or simply someone curious about the remarkable world of Sujok therapy. Through engaging workshops, enlightening discussions, and interactive sessions, you will gain valuable insights, practical skills, and lifelong connections.

As we gather in Nagpur to celebrate a decade of healing and exploration, we invite you to be a part of this inspiring journey. Join us in discovering the power of Sujok therapy, its impact on holistic wellness, and its potential to transform lives. Together, let's unlock the door to a healthier, happier, and more vibrant future.
